This apparatus is in fair condition. It was in "front line" service as an ambulance from when it was new until its removal from service several months ago. The emergency lighting system is no longer functional and this unit will not be able to operate as an emergency ambulance without major overhaul of the electronic system.

The truck may be inspected in Kent at the FireHouse at 28 Maple Street by appointment only. Please contact President Caralee Rochovansky to set up an appointment or if you have questions regarding the apparatus call or text 860.671.7107 or e-mail at president@kentfire.org.

It is the successful bidder's responsibility to transport the apparatus from Kent. The fire department reserves the right to accept or decline any or all bids if it deems it is in the best interest of the fire department. The vehicle is sold as-is with no warranties expressed or implied.
